

Charter Our Eco-vessel!

Host your next event aboard the Discovery. Allow us to design a private charter just for you. We'll customize the trip route, educational content, and other details to meet your needs. Great for families, celebrations, holiday parties, and company outings.

Options and Pricing

- 90 minutes: \$500 flat rate for up to 45 people
- 1 hour: \$450 flat rate for up to 45 people
- Tampa Bay Watch members receive a 10% discount

Charter guests are welcome to provide their own catering. Additional information available upon request.

All proceeds from your charter support our mission.

Founded in 1993, Tampa Bay Watch leads habitat restoration and protection activities throughout the year. Thousands of volunteers contribute their time to help the bay recover from environmental challenges and ensure its long-term health. People of all ages participate in salt marsh plantings, storm drain markings, oyster bar creation, coastal cleanups, and wildlife protection. This collective effort is environmental stewardship in its purest form.

Contact tbwdcecotours@tampabaywatch.org to book your charter today.
